

28/11-22 Good Laboratory Practice (GLP)

Presenters: Alexandra Misci Hudecova, Maria Dusinska, Elise Rundén Pran

09:30 Introduction

10:05 Presentation of the GLP certified Health Effects Laboratory

10:10 Introduction to GLP

10:30 GLP roles and responsibilities

10:45 Coffee break

11:00 Quality assurance (QA)

11:30 Standard operating procedure (SOP)

12:00 Lunch

13:00 GLP management, performance and establishment

13:45 Coffee break

14:00 How to perform a GLP study

14:45 Questions, wrap up and Quiz

15:30 End of course

29/11-22 Best Practices Handling of Nanomaterials in the GLP-lab

Presenters: Naouale El Yamani, Alexandra Misci Hudecova

10:00 Nanotoxicology and nanosafety - What do we know?

10:30 Handling of nanomaterials: best practices in a GLP laboratory

11:30 Monitoring and risk assessment

11:45 General Guidelines for Working with Nanomaterials

12:00 Lunch

13:00 Practical QA work in a GLP laboratory

13:30 Wrap-up and questions

14:00 End of course
